Official Information Request
Our Ref: OIA353/1

1. We refer to your emails of 29 March 2023 to the Ministry of Business, Innovation and Employment (MBIE) requesting, under the Official Information Act 1982 (OIA), the following information:
 - 1.1 *RNZ seeks to establish if the Govt Procurement system is increasingly expressing a preference for specified vendor systems/products/services in the IT cloud computing field.*
 - 1.2 *We are aware of tenders that say 'if cloud hosted solution is proposed, preference will be given to Azure and AWS in that order'.*
 - 1.3 *We request to know the number of GETS tenders, per year, covering the last 4 years, in all and any aspects of cloud computing, that specified a preference for Microsoft and/or Azure and/or AWS and/of Amazon and/or Google systems/products/services and any combination of these.*
 - 1.4 *Pls also ensure this covers both GETS in its publically accessible online format and its 'private' one'.*
 - 1.5 *The aim is to map any increase. We request you apply the search or other tool that you believe is best suited to most comprehensively gathering this information.*
 - 1.6 *If any of the above has previously been publicly released, pls provide links to that forthwith. If any of the above has previously been released under the OIA, pls release it now to RNZ as per the OIA regs and SOP.*
 - 1.7 *Pls redact names of junior staff but include those of senior ones.*
2. During the requested period "covering the last 4 years" Crown Law has not issued any tenders via the Government Electronic Tender System (GETS) or separately to

the GETS system, that specified a preference for Microsoft and/or Azure and/or AWS and/or Amazon and/or Google systems/products/services and any combination of these.
